Nostalgic chain link
Swing. Holds up to 20 riders each.

[Click here for video](#)

Ferris Wheel

- Our BRAND-NEW ride is here just in time for 2024. It takes a new twist on an old favorite. Two riders await as a third person tests their strength on the classic bell ringer launching the riders into the air! While the launch is human powered, the ride continues based on a computer program. The lights can be changed to accommodate the theme of the event.
